Seminar & Conference Folder 2024

1. Meet in an exclusive atmosphere at Villa Orange

Good things come in small packages, and this is also true for Villa Orange's seminar and meeting area. We have two pleasant, professionally furnished seminar rooms, sized 65 square meters and 35 square meters. They are bright and welcoming, with a lot of daylight, and suitable for groups of 2 – 40 participants. At the entrance to the rooms there is a foyer that is flooded with light and a small, idyllic courtyard that you can use as a reception area for your event or for breaks. All rooms have air-conditioning, high-speed internet access and free wi-fi.

Green Meeting

As an organic hotel, we offer the highest ecological standards, ranging from 100% organic catering to the use of renewable energies, certified natural cosmetics (soap & shower gel), cleaning agents and FSC-certified paper. Your conference guests can travel eco-friendly by train and public transport. We are a climate-neutral hotel. We have been committed to sustainability for 15 years now, and Villa Orange already fulfills the requirements of the ESG criteria (environmental, social, governance).

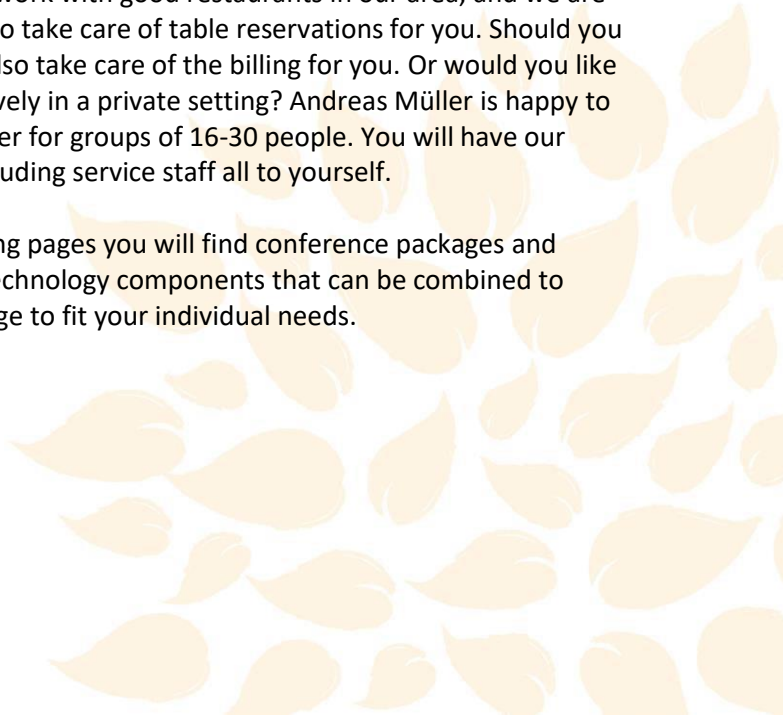

2. Organic catering

Villa Orange is certified organic (DE-Öko-006) and offers 100% organic breakfast and seminar catering. You can choose between different lunch buffets and snacks we serve as a self-service buffet in the grand salon. Most buffets are prepared by our chef Andreas Müller: 100% fresh and 100% organic, without any convenience products whatsoever. We also work with organic caterer Safran Bio Catering.

Are you looking for a nice restaurant for your group to have dinner together? We work with good restaurants in our area, and we are always happy to take care of table reservations for you. Should you wish, we can also take care of the billing for you. Or would you like to dine exclusively in a private setting? Andreas Müller is happy to prepare a dinner for groups of 16-30 people.
